ABOUT DUBAI CITY

UAE healthcare strategy aims to be considered a major medical and wellness destination hub for Middle East and North Africa patients looking for high quality cosmetic surgery in addition to laser eye surgery, dentistry and rejuvenation treatments. UAE has one of the highest concentrations of plastic surgeons in the world, far outstripping countries such as the United States and Brazil. US has one plastic surgeon for every 50,000 people and Brazil one for every 44,000, UAE leads as it has one for every 18,000. Dubai has hospital that offer highest standard of care. According to the American Academy of Cosmetic Surgery Hospital, the number of cosmetic surgery procedures carried out on its premises in Dubai has increased by 15 per cent in the period 2013 to 2014, with liposuction, abdominoplasty (tummy tuck), breast surgery, cosmetic gynecology and rhinoplasty the hospital's top five cosmetic surgeries last year.

Dubai is a famous and well developed city where a lot of different cultures meet forming a characteristic society that is adherent to the original heritages and responding the up to dates life requirements. Dubai is a dream for many people all over the world. Dubai or as known the pearl of the Gulf is one the seven United Arab Emirates. It lies on the Arabian Gulf. It has strong roots in the history as well as strong position nowadays. Dubai is a good famous city for these various advantages. Till now Dubai is a known strong site for trade. Jabil is the site of numerous and different factories. Also, it has a port through which Dubai exports and imports goods to and from any spot in the world. Dubai imports different products mainly from China, India, USA, Japan and Europe. Also, it exports its products to many countries especially to the Arabian countries. The status of economy in Dubai is a fertile land that attracts investors from all over the world to invest in Dubai. The great immigration to Dubai and good trade make Dubai a familiar name worldwide and make the travel to Dubai a dream to many people as workers or tourists.
